

**Job Title:** General Manager

**Job Categories:** Management, Environmental, Energy, Utilities, Gas, Electric

**Job Location:** 16770 SE 82nd Drive #100, Clackamas, OR 97015

**Job Description:** The General Manager is responsible for the operational management activities, including developing and implementing a long-term vision of water services; managing existing services; and managing future services.

The GM is responsible for building partnerships and strong working relationships with leadership, board members, employees and clients. The GM will collaborate and lead in such a way that supports the vision of being a leader in safe, reliable and affordable water service.

**Job Requirements:**

- Requires the ability to communicate effectively both orally and in writing.
- Requires the ability to maintain cooperative relationships with leadership, board members and departments.
- Requires ability to work in a highly regulated environment, with knowledge of water laws helpful.

**Candidate Requirements**

Desired Skills:

Good Understanding of Labor Law, Contract and Water legalities including Government relations, working in an environment that supports both the public and private sector. Excellent familiarity of Union/non-union labor skills and experience in working with publicly elected officials. Excellent Management skill is a must.

Employee Type: This is a Fulltime exempt position that reports to a publically elected board of 5 members
