

Clackamas River Water Outdoor Irrigation Rebate

Outdoor Irrigation Rebate Eligibility & Requirements

- **Rebates will be credited to your CRW Customer Account.**
- Rebates are available for Multi-stream Rotator Nozzles (\$3/head; limit 32 heads) and WaterSense® labeled Irrigation Controllers (\$100/controller; limit 1 per account)
- Your property must have an active account with Clackamas River water and be in good standing.
- Rebates are for retrofits and new construction.
- Rebates apply to in-ground irrigation systems with automatic controllers.
- Backflow assembly testing must be up to date.
- Application must be received within 90 days of purchase date.
- Rebate applications must include a copy of a sales receipt from a retailer or supply company that shows the purchase date, purchase price, manufacturer, and model information.
- Total rebate will not exceed the receipt amounts.
- Rebates are available on a first come first-serve basis. The program will end when funds are depleted.
- Only qualifying irrigation hardware is eligible for the rebate. Review a list of qualified hardware at www.crwater.com/conservation/rebates.

Checklist

- Purchase qualifying irrigation hardware. A list of qualifying hardware can be found at www.crwater.com/conservation/rebates. Save all of your receipts.
- Complete your irrigation upgrades. Irrigation hardware must be installed at the property associated with your CRW account. Random inspections may occur.
- Complete and sign Outdoor Irrigation Rebate Form (see form on reserve side), or **complete the form online at www.crwater.com/conservation/rebates/irrigation**.

Be sure to submit the following:

- Completed Outdoor Irrigation Rebate Form
- Equipment sales receipts or invoice

Mail your completed application and all materials to:

Clackamas River Water
Outdoor Irrigation Rebate Program
16770 SE 82nd Drive
PO Box 2439
Clackamas, Oregon 97015

You can also e-mail your application materials to: sdelorenzo@crwater.com

- Your rebate will be credited to your CRW Customer Account approximately 4-6 weeks after receiving your completed application and verifying eligibility.

Make sure you're selecting the right equipment! A list of eligible irrigation hardware can be found at www.crwater.com/conservation/rebates. For irrigation controllers look for the EPA WaterSense® label.

Rebate Agreement/Release of Liability

Clackamas River Water may deny any application that does not meet all of the Irrigation Rebate Program Eligibility Requirements. CRW reserves the right to alter or cease this program at any time. Irrigation Rebates are on a first come first serve basis and available until budgeted funds are depleted. The applicant agrees to allow CRW, with notification, to enter the property to inspect the installation of the irrigation hardware and fixtures to assure program requirements are met. CRW is not responsible for the quality of the hardware purchased and does not warranty any hardware, or any fixture comprising a component in any irrigation device, or the installation of any irrigation components. CRW does not guarantee lower water bills as a result of participating in the Irrigation Rebate Program. CRW is not responsible for any damage that may occur to the applicant's property as a result of removing the old hardware or installing new irrigation hardware under this program.

By signing this form I agree that I have read, understand, and agree to the Rebate Agreement/Release of Liability (above) and the Outdoor Irrigation Rebate Program Eligibility and Requirements.
