Selecting the right toilet is easy thanks to WaterSense®, a program sponsored by the Environmental Protection Agency. The WaterSense® label is used on toilets that are certified by independent laboratory testing to meet rigorous criteria for both performance and efficiency. Only high efficiency toilets that complete the certification process earn the WaterSense® label.

You can also e-mail your application materials to: [sdelorenzo@crwater.com](mailto:sdelorenzo@crwater.com)

***Your rebate will be credited to your CRW Customer Account approximately 4-6 weeks after receiving your completed application and verifying eligibility.***

## Rebate Agreement/Release of Liability

Clackamas River Water may deny any application that does not meet all of the Toilet Rebate Program Eligibility Requirements. CRW reserves the right to alter or cease this program at any time. Toilet Rebates are on a first come first serve basis and available until budgeted funds are depleted. The applicant agrees to allow CRW, with notification, to enter the property to inspect the installation of the toilet(s) to assure program requirements are met. CRW is not responsible for the quality of the toilet purchased and does not warranty any toilet, or any fixture comprising a component in any toilet, or the installation of any toilet. CRW does not guarantee lower water bills as a result of participating in the Toilet Rebate Program. CRW is not responsible for any damage that may occur to the applicant's property as a result of removing the old toilet or installing the new toilet under this program.
